

Laqvin Fast BB System Wear and Tear Effect

We hereby inform that our product **SX1420 Laqvin Ton** belonging to our **Laqvin Fast BB** range, applied only in one layer on Burnblock impregnated substrate can be used to achieve "Wear and Tear" effect.

- This coating method gives an effect of artificial ageing
- Natural ageing of the surface is a desired effect and no extra maintenance is needed
- The product should not be refinished with any extra layers
